### Planning a Great Family Vacation

Choose a resort that matches the ages and interests of your children. Some properties specialize in younger families with splash areas and character experiences, while others cater to teens with sports, adventure activities, and social spaces.

### Travel Tips for Families

Pack favorite snacks for travel days, bring refillable water bottles, plan downtime between activities, and don't try to schedule every minute. Some of the best family memories happen during unplanned moments at the pool or on the beach.
