## Chapter 2: Is an All-Inclusive Vacation Right for You?

All-inclusive resorts appeal to many different types of travelers, but not every resort is the right fit for every guest. The key is matching the resort to your travel style, priorities, and vacation goals.

Traveler	Why an All-Inclusive Resort Works Well
■ Couples	Romantic beaches, fine dining, spa experiences, and relaxing evenings.
■■■■■■■■ Families	Kids' clubs, pools, water parks, activities, and convenient dining.
■ Honeymooners	Adults-only resorts, upgraded suites, private dinners, and unforgettable settings.
■ Friends	Nightlife, entertainment, group activities, and plenty of dining options.
■ Multi-Generational	Something for every age, from grandparents to young children.
■ Solo Travelers	Safe environments, organized activities, and opportunities to meet other travelers.

### Questions to Ask Yourself

- Do I want to relax or stay active?
- Am I traveling with children or adults only?
